March, 2017

Dear Equestrian Retailer,

You are invited to join in our unique advertising sponsorship venue with the DC Area Horse Show Association. Our Division advertising sponsorship is a wonderful opportunity for small shops to be included in a big event.

Here's how it works:

- 1) Select a division from the list.
- 2) Using "true retail value" select prizes from your business for places 1 – 6.
- 3) Notify us to pick-up your selection

What do you get in return?

- 1) Your business' name associated with a dozen different horse shows and series, in one advertising sponsorship!
- 2) Interactive internet exposure starting now through our banquet on November 6. We will take photos of your prizes and post on our website. You actually get your own page!
- 3) Invitation to our banquet. Mingle, hand out your awards, or even set up a display with table space at our banquet to: sell product, offer consultations, hand out information and/or chotchkies, etc.

What does it ACTUALLY cost me?

Assuming a Keystone mark-up, this should make the cost to you \$188 to \$250. Imagine, sponsoring about fifty shows for only about \$200!

***Be an enabler - support your current and future clients' horse show addiction. ☺***

We provide online interaction with our end-of-year points and prizes, which offers you an advertising opportunity that has no equal. We sanction Hunter shows each weekend day from April through October.*
